To all our

Christmas Concerts

Thank you for all your kind comments - the children worked so hard & it certainly paid off! I thought that you were all amazing.

Department of Education (DFE)

Recent performance tables released show that compared to similar schools there is statistically no better performing school in Co Durham - and they didn't even see our wonderful concerts!

Christmas Wishes

On behalf of myself and the staff, I hope you all have a wonderful Christmas and New Year.
