

Immersive Day..Thrilling Thursday

Just like in KS1, the children have a fun filled day of exciting lessons led by our staff in Years 3 and 4 in their specialist subject areas – A day where we bring our learning to life in the pursuit of developing mathematicians, scientists, fitness fanatics and engineers of the future. More often than not, the classrooms are made redundant and the children can be found 'out and about' embracing their love of learning. Here's a little snapshot of the things we like to do...

Outdoor Maths

Mrs Wright leads fabulous outdoor maths investigations. There's not a textbook in sight when the children are off solving problems or investigating maths outside. Whoever said maths can be boring!

Mrs Cutmore and Miss Robson keep everyone fit and healthy with their active PE lessons. Whether it be in the school yard, down at Park View or even at Chesterle-Street park, they ensure everyone has fun whilst keeping healthy in a range of sporting activities. You never know, we might just find the next Mo Farah here at Cestria!

P.E.

Science

"Somewhere, something incredible is waiting to be known"...and why not find out in Mr Wilkinson's amazing science lessons. Our budding scientists love finding out facts with Mr Wilkinson before donning their white lab coats and putting them to the test with Miss Shaw in her amazing science hub.

DT/Maths

And finally, our children absolutely love Mr Smith's DT sessions. Who doesn't love designing, inventing and investigating how things work. Not forgetting the best bit when they get to visit our incredible invention shed and turn their ideas into reality. Who know, we might be nurturing some budding architects designers of the fu-
