

Good afternoon all,

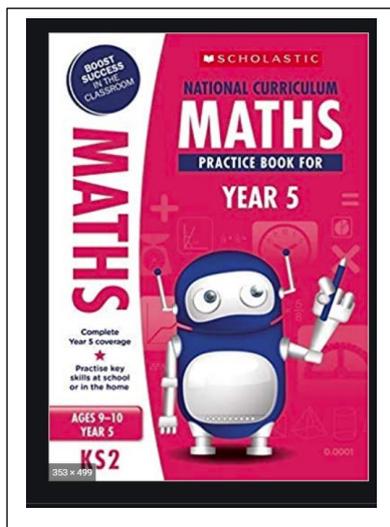

After listening to the Secretary of State for Education's announcement last Friday, it seems that all children will be returning to school in September – very welcome news for all of us!

Schools now await guidance to see how this is going to be done safely. The statement assured Head Teachers that the guidance will be published in two weeks' time so I will update you further as soon as I have the information.

Key Worker/Vulnerable & Children in YR, Y1 & Y6

I am delighted to tell you that the children who have returned to school so far have been an absolute delight. It has been lovely to have the school full of laughter and chatter once again. We are very much looking forward to welcoming everyone back and all being together again in September.

Children in Y2, Y3, Y4 & Y5

I have ordered a maths text book for the children in the year groups who are not yet back to school **(Y2,3,4,5)**. The book is designed to support the National Curriculum & help the children secure their mathematical understanding. These practice books will help your child revise & practice skills they will learn at school, including some topics they might not have encountered previously.

The books will be ready to collect from school from **MONDAY 29th JUNE**. Please ensure that your child writes in a workbook & not the text practice book – please return the text book to your child's new teacher in September.

All Year Groups: Please make sure that you login to Class Dojo regularly for your weekly timetable & activities. Work can also be supplemented with the activities outlined on our website & BBC Bitesize. The DFE has also published online education resources for home learning on their Gov.uk website. As always, your child's teacher is available for support via Dojo & both myself & Mrs Bentham are available in school.
