

Summer Newsletter

People often ask me if we are starting to wind down at this time of year...in fact, we have had so many things happening it's been hard to keep track! Our Y6 children have been particularly busy with activities and of course preparing for their wonderful graduation ceremony. I would like to thank them for all their hard work and help this year. Once again, they did very well in their SATs and we are so proud of them, but more importantly they have matured into wonderful young people and we will certainly miss them in September. We wish them all the best in their new schools.

As many of you know, I became a Gran this year...well actually twice over! In order to do some extra babysitting, I will be reducing my hours from September. If you need anything on the day I'm out, Mrs Bentham (or a senior teacher) will be able to help you. I am really looking forward to the challenges & rewards of the next school year...and extra baby cuddles too!
