

## Home Learning

As part of our risk assessment we need to establish procedures for the possibility of returning to a blended learning situation. We hopefully won't ever need to return fully but there may well be a situation where your child has to self-isolate for a couple of days whilst waiting for a test result or even longer.

Length of Absence	Blended Learning Approach
2 days	Your child should have their homework book at home full of open-ended activities BBC Bite Size Reading – whatever you have in your house!
2 weeks or longer	All of the above plus: Oak Academy – lessons available online Maths and English textbooks available if anyone is able to collect Dojo – Daily communication to reflect the most vital learning taken place in the classroom including video, instruction and feedback Weekly timetable and topic based activity sheet A member of the senior management team will be available at all times to take your calls or emails
