

Update 22.09.20

Good morning,

I hope you are all well. Just a quick update following latest North East restrictions. Firstly, thank goodness the guidance on informal childcare has changed! I'm sure that's a great relief to lots of you.

Social Distancing

We have worked hard to put procedures in place to aid social distancing for entry and exit to school. Please ensure you keep your child close to you and follow social distancing guidelines when dropping off or picking up your child. The bubbles are working well in school and we just need to make sure they are maintained outside too - thank you.

School Meals

We are trialling hot meals while we have lower numbers of children requiring a school dinner this week. We are hitting one or two snags but hopefully we can resolve them. I will write to you at the end of the week to update you on our progress. As always, we require 1 weeks' notice to change from packed lunch to school dinner or vice versa.
