

Dear Boys and Girls,

We would like to invite you to our lockdown birthday celebrations for all the children in school who have celebrated a birthday in **September, October or November.**

As so many of you have missed having a birthday party with your friends (in September, October or November), you can come to school dressed in your **party clothes** on **FRIDAY 27<sup>TH</sup> NOVEMBER.** You will get a cup cake and you will do lots of lovely activities with your class on the afternoon.

Everyone else will receive a packet of sweets and will be able to join in all the lovely activities that we have planned to celebrate your friend's special day – hopefully lockdown won't last too long, however if it does, we will be having a birthday celebration at the end of each month.

We're looking forward to celebrating with you all!
