

School Uniform

A parent contacted me recently to ask if children could wear hoodies without the badge. They are available on Amazon (and other sites) – search 'AWD is Hawaiian Blue Hoody'. I have had a look and they are exactly the same colour as ours & have positive reviews for quality. The cost is about £8.30, so a little saving. They are delivered within a week.

Also, we now stock all uniform at Little Gems in the Galleries (as well as Salto) so parents have more choice in purchasing. All other parts of our uniform are generally available from any uniform stockist and most large supermarkets.

We now have some recycled sweatshirts, hoodies & cardigans in school on sale for £2. Please ask in the school office.

Keeping Fit and Having Fun at Cestria...

As I'm sure you are aware, our KS1 children love Marvellous Monday. Our teachers love it too as they get to teach get to teach their specialist areas of Music, Art, Science, R.E. and P.E.

Following the success of Marvellous Monday, we are introducing 'Wonderful Wednesday' to Y5 and Y6 from September. The subjects involved will be Outdoor Maths, Reading and Comprehension, Design Technology and P.E.

Also, Year 4 take part in the fabulous Prince William Award on a Tuesday where they take part in team building and practical problem solving activities.

Let's not forget Y3, they also have super sessions of P.E. on a Thursday and Friday with one of our specialist P.E. leads in school!

The children have so much fun during our specialist teaching days but sometimes they can get rather messy, especially during our wonderful art, science and D.T. sessions – please do not buy expensive P.E. kits as we would hate to think anything got stained or damaged!
